

David Cowan (1983 – 2007)

In loving memory of our son and brother David Michael Cowan, born August 13, 1983, died April 14, 2007. We will miss you and mourn for you our sweet boy, but we will also remember and celebrate your life and the memories you left us with. Our son David Michael passed away in the early hours of April 14, 2007, in an auto accident on I-15. We will miss him dearly. He celebrated life and gave everything he did 110 percent; it was never his way to do things halfway. He worked for TXI Riverside Cement Company as a heavy equipment operator for four years. He also held previous positions with Serenity Exterminators as a pest control technician for two years, Universal Projects as a construction laborer and plumbing technician, worked at Del Taco on First Street, and as a lifeguard at Fort Irwin and Lake Dolores. He was a member of the B.P.O.E. [Elks Lodge](#) #1920 of Barstow and served as Esteemed Lecturing Knight. During his short life here with us, he enjoyed being a Cub Scout, and Boy Scout and loved going to the summer camps. He played football with Barstow Youth Football and Barstow High School. He was in Little League Baseball and the Barstow High School Aztecs Baseball team and was in All Stars two years in a row. He also participated in Karate for two years. He enjoyed the excitement of being on the high school wrestling team, yearbook staff, which he served on for two years, and the Bunny Burn committee. David enjoyed playing the trumpet, tuba, baritone and cello and was in the orchestra for two years. He played in many events including the Easter and Christmas drama plays at the Baptist church for two years. David graduated from Barstow High School in 2001. He loved raising exotic animals ranging from water dragons, an Iguana, and a Red Tailed Boa

Constrictor. He loved the biker lifestyle. He enjoyed riding dirt bikes, ATVs, and quads and his beloved Harley Davidson motorcycle. The saying on his vest is "Old School Biker," which fit his lifestyle like a glove. His greatest pride was his first trip to Sturges on a Harley run with his aunt and uncle. Even after having a motorcycle accident two weeks before the trip, he was still determined to go on the run. His greatest joy are his two beautiful daughters, Reiahnna and Jasmine; and his wife, Jennifer Cowan of Barstow, whom he adored. He was preceded in death by his uncle, Steven; and his great-aunt, Geri. He left behind many loved ones, including his father and mother, Randy and Susan Cowan of Barstow; brothers, Zachary and Timothy Cowan of Barstow; father-in-law and mother-in-law, Jim and Jamie Payne of Barstow; brother-in-law, Jeremiah Payne of Barstow; grandparents, Norman and Joan Cowan of Barstow, Kenny and Donna Anderson Sr., of Dickson, Tenn., and JoAnn Anderson-Beebe of Barstow; aunt and uncle, David and Laura Hiland of Newberry Springs; aunt, Sandra Anderson of Barstow; uncle and aunt Kenny D. Anderson Jr., and Janice of Steven's Point, Wis.; nephew, James "Bubba" Payne of Barstow; cousins, Corey, Brittney and Dale Rinard of Adelanto, Kenny III and Benjamin Anderson of Steven's Point, Wis., Chase Trevithick of Mammoth Lakes, and Conner Anderson of Barstow. He also leaves behind many extended uncles, aunts, and friends from Ohio, Tennessee, Michigan, Florida, Wisconsin, Minnesota, Indiana, Oklahoma, Texas, California, Nevada, and North and South Carolina. Many thanks go out to "Our Friends" and "Our Community" for all of their support through this very trying time in our lives. We love you son and will always remember! Love Mom, Dad, Zach, and Tim.
