## Obituary for Sebastiaño Marcos

### Vuiller

Sebastiaño Marcos Vuiller was born on Monday June 18th 1984 in Barstow California to Tres & Marta Vuiller and entered the Heavenly gates on Saturday, March 29, 2025.

Marcos as we called him attended Thompson Elementary School Barstow intermediate and Barstow High School where he graduated in 2002. Marcos started his career in construction with Gregory & Cook at the young age of 18 years old and continued his career with Granite Construction until his passing.

Marcos enjoyed working on cars pending time with family and friends, he had a love for music and its history, his love for his animals was one where his animals were royalty. He had a huge heart and helped whomever he saw needed it or just at random. Always eager to teach a willing learner how to build and create anything their hearts desired. A hard working man, kind, genuine and never afraid to go the extra mile or get his hands dirty. First one to show up for the day at work and last to leave, but he absolutely loved what he did and the coworkers whom became family.

Marcos was preceded in death by his grandparents Jules and Arlie J Vuiller and Jess & Martha Manzanares; Siblings Jon-Paul and Jã Arlie Vuiller.

Marcos leaves behind his parents Tres & Marta, sisters Julieanna McArthur of Colorado and Stefani Moore of Barstow. He also leaves behind his girlfriend Alicia Fox and her loving children whom he adored as his own. Many family and friends and whom all had the pleasure of meeting him.

A Celebration of Marcos' life will be held
