Bullhead City ---John Davis Wagstaff
August 2, 1951 - April 30, 2025

David, as he was known to most, passed on peacefully April 30, 2025, at his home in Bullhead City, AZ, at the age of 73. He was born on August 2, 1951, in Victorville, CA to James Edwin and Fern Louise Wagstaff. David spent his childhood years growing up in Hinkley, CA. Upon graduating from Barstow High School, he moved to the Bay Area in California and pursued a career in Sales and Marketing for World Airways and continued working in Financial Accounting before starting a career as a handyman doing home improvements. He then retired to Lake Tahoe with his beloved dog, Buddy, where he spent some great years before moving to Arizona. David made sure to live his life every day and leave a bit of himself with everyone he met. He will be remembered by many for his daily inspirational message that he sent via mass text, faithfully, every morning. Also for the beautiful artwork he created for his greeting cards and his unwavering

faith. He is now in God's loving arms.

He is survived by his brothers Sunny (Pat) and Harold (Michele), his sister Gail (Sam), cousins, nieces, nephews, grandnieces and grandnephews.

Family and friends are invited to his celebration of life to be held on Saturday, May 31, at 1:00 PM at Desert Shores Community Baptist Church located at 2625 Landon Dr. Bullhead City, AZ 86429. The service will also be streamed via the Church's website, desertshoreschurch.org and clicking on the YouTube link.
